and M Shaw

TTP17/009 <u>Declarations of Interest and Requests for Dispensation</u>

None received

TTP17/010 Representations from Members of the Public

None received

TTP17/011 World War 1 Commemoration Bench

Members preferred to refurbish an old bench rather than buying a new bench.

RECOMMENDED: to ask M Plant to refurbish an old bench

TTP17/012 Stone Town Trail Leaflets

Members were asked if they would like anything new incorporating in the existing Stone Town Trail leaflet. The following items were raised:

- Noticeboard on Crown Meadow
- St Michael's Church 12th Century Matrix
- Two Saints Way Pilgrimage (St Michael's Church)
- Site of the original Westbridge House on Westbridge Park
- Peace Pole
- New bells in St Michael's Church
- Stone Station
- HSBC building

Members suggested the order route of the trail should be altered to be more user friendly, and suggested the start be at Christ Church car park. They also want areas slightly outside of the centre to be included, e.g. Stonefield Park, Stone Station. Once a route is determined it needs to be check to see if it accessible to all.

Members asked to see a proof before going to print.

RECOMMENDED: the points above be sent to Stafford Borough Council.

TTP17/013 Update from Working Groups

Commemoration to mark 100 years since the end of World War 1 in 2018

ENV17/004 Problems with Litter on Crown Meadow

Councillor P Leason reported that he had received complaints regarding litter on Crown Meadow after Saturday nights. Members were against having additional bins on Crown Meadow as this would take away the natural beauty of the area. Stone Lions litter pick on the amphitheatre and occasionally on the Crown Meadow.

RECOMMENDED: to request that Stone in Bloom incorporate it in their agenda.

ENV17/005 Flooding of Path

The Clerk reported that several paths on Crown Meadow were re-laid following flooding three years ago.

RECOMMENDED: to monitor the quality of the paths over time.

ENV17/006 Mount Road Allotments

Councillor P Leason reported that there has been a weed infestation on Mount Road Allotments. This has been treated and will be treated again in Spring.

ENV17/007 Tree Planting / Hedge Laying

Campaign to Protect Rural England has emailed Stone Town Council to see if there are any areas within the town where tree planting and hedge laying would be beneficial.

RECOMMENDED: to ask for substantial trees to be planted in the following areas:

- East Close
- West Close
- Tyler Grove
- Meadow Way
- Green Close (Walton Way)

ENV17/008 <u>Centenary Fields</u>

The Centenary Fields Programme has contacted Stone Town Council to see if there are any areas it would like to be protected areas linked to World War 1.

RECOMMENDED: Common Plott Trustees be given the information.

Stone Town Council - General Purposes Committee

1 November 2016

Budget Monitoring - September 2016

Report of Town Clerk

Purpose of Report

1. To inform the Committee of the Council's current financial position compared with its budget for the year, and to recommend action in any areas of concern.

Background

- 2. The Council's budget was approved in February 2016. Good financial management requires the Council to:
 - a. Keep the amount of the budget that it requires under review,
 - b. Monitor spending and income against budget projections, and,
 - c. Take appropriate action to ensure that the Council's financial stability is maintained.
- 3. This one of a series of regular reports which are presented to the General Purposes Committee on a broadly quarterly basis. The reports consider the Council's financial position at the end of the most recent month available at the time the report is written. On this occasion, the report considers the position as at the end of September 2016.
- 4. The report will first look at any adjustments proposed to the budget for 2016-17. It will then highlight any areas where net spending differs from that planned in the budget and focus on the income received from the Council's major income generating activities.
- 5. Finally, the report will list spending by the Council (excluding salaries, salary related costs and the Mayor's Charity Fund) for the period since the last budget monitoring report for Members' information.

Adjustments to 2016-17 Budget

- 6. The General Purposes Committee on 5th April 2016 approved the resurfacing of the Crown Wharf Car park. It was agreed that the cost would be met by a supplementary estimate from reserves.
- 7. The Council meeting approved a supplementary estimate of £4,000 to meet the costs of the election for the vacancy in the Stonefield and Christchurch Ward.
- 8. The General Purposes Committee on 4th October approved a supplementary estimate of £20,000 towards the refurbishment of the Frank Jordan Centre.

9. Appendix A sets out the agreed adjustments to date and the proposed changes to the current approved budget.

Comparison of Budget with Actual Spending and Income

- 10. Appendix B sets out a comparison of the budget to date with spending up to the end of September 2016. The budget to date has been estimated with reference to spending patterns in the previous year and other available information, but is a fairly broad estimate with a significant margin for error in most areas of the budget. Nevertheless it is a good starting point for identification of potential problems.
- 11. Members should note that positive numbers in the table reflect expenditure or an adverse variance (overspend), whereas negative numbers represent income or a favourable variance (underspend).
- 12. Overall, at the end of September 2016, net spending was £133,163 compared with a budget up to that time of £149,280 a net underspending to date of £16,117.
- 13. Significant adverse variances within this figure are:
 - a. Frank Jordan Centre Income (£2,523): This is largely due to the loss of a regular user of the Centre, however expenditure is also £2,664 below budget leaving an overall position of £141 underspent.
 - b. Town Market Income (£2,668): Market income is down against expectations, but this is partially compensated by a reduction in expenditure of £508, leaving Markets £2,160 overspent overall.
 - c. Bus Shelters and Street Furniture (£2,549): This largely relates to the cost of the flagpole in the town centre.

14. Significant favourable variances are:

- a. Frank Jordan Centre Expenditure (£2,664): This is referred to in paragraph 13.a above.
- b. Building Maintenance (£2,200): This budget shows an underspending due to the sum being reserved for renovation works at the Frank Jordan Centre, which has not yet started.
- c. Grounds Maintenance (£2,236): Some work and invoices are still outstanding.
- d. Crown Meadow Improvements (£4,072): Expenditure planned for Crown Meadow had not been undertaken by the end of September.
- e. Christmas Lights (£1,402): Work on extending the lighting to the shops in Mill Street has not yet been undertaken.
- f. Administration (£6,476): This mainly relates to replacement office computer equipment provided for in the budget, but not yet been purchased.

15. It can thus be seen at this stage that costs are generally under control, though actual net spending varies from the estimated approved budget to date in some areas.

Income from Major Income Generating Activities

- 16. Income from the Frank Jordan Centre, Stone Station and the Town Market together represents around 20% of the Council's total income. Virtually all of the remaining income is fixed in advance of the year (Precept/Concurrent Functions Allowance), but this 20% can vary within the year in accordance with the Council's success with letting its community centres and market stalls.
- 17. With this in mind, Members need to closely monitor these income items to ensure that its budget remains in balance.
- 18. Attached at Appendix C are a set of graphs showing a comparison of income received to date with the level anticipated for each month. Whilst it must be remembered that the way the income has been profiled is quite crude, the graphs are showing a position where income is close to target for the Stone Station and below target for the Frank Jordan Centre and the Town Market.

Council Spending

19. Appendix D lists all spending (excluding salaries, salary related costs and the Mayor's Charity Fund) for the period since the last budget monitoring report to the end of June 2016 for Members' information.

Recommendations

- 20. The Committee is recommended to:
 - a. Approve the adjustments to the Council's budget set out at Appendix A.
 - b. Note the Council's performance against budget at the end of September 2016.
 - c. Note the details of the Council's spending since the last budget monitoring report.
 - d. Consider any action it wishes to take in the light of the information within this report.
