

PRESS RELEASE

Post Office to Open in Stone High Street

Stone Town Council has been working closely with the Post Office since the closure of the Co-op was announced in order to return essential Post Office services to the High Street as soon as possible.

The Town Council are pleased to be able to confirm that this work has now produced successful results and it is expected that a new Post Office will open in Stone in September 2018. It will be located in the recently vacated pharmacy at 5-7 High Street.

Councillor Rob Kenney, Chairman of the Council's General Purposes Committee, said: *"I'm pleased that the Council's work with the Post Office has finally reached a successful outcome and we can look forward to the opening of a new Post Office in the High Street."*

The Town Council will, of course, continue to fund the bus taking residents to nearby Post Offices until the new outlet has opened."
