

PRESS RELEASE

Events in Stone 2019

On Tuesday night, Stone Town Council agreed the calendar of planned events for 2019. The Town Council is again arranging the Music Festival, Stone by the Sea and the Classic Car Show, which have proved popular in previous years, alongside new events such as a performance by 'Le Réveil Sablonnais Serriérois' Wind Orchestra, the Buzz King Marionettes Drama Workshops and the Glorishears of Brummagem Morris Dancers.

In addition, regular favourites such as the Farmers' Market and the Craft and Collectables Market will be joined by the Stone Traders' new Late Night Shopping/Street Food Events.

Councillor Jill Hood, Chairman of the Council's Tourism and Town Promotion Sub-Committee, *said "I am pleased to be able to present such an exciting, full and varied range of free events. There should be something for everyone, and I hope that they help to bring both local residents and visitors into the town"*.
